

Darwin

Armchair

Description

The Darwin Armchair is a contemporary Windsor Chair, handcrafted in our Hampshire workshop from the finest quality, sustainably sourced British Ash.

Not only is the seat wonderfully contoured, the ash spindles reach into a gently rolled steam-bent back support, which also forms the undulating armrest, creating a superbly comfortable and elegant piece.

Specification

Wood: Solid British Ash

Finish: Clear Oil Finish

Produced in: Hampshire, England

Sustainability

Our passion for design and sustainability are part of the core values which are embedded throughout Gaze Burvill and Sitting Firm.

Using only certified and sustainably sourced timber from British woodlands, we believe in combining the best in traditional craftsmanship and the modern technology to produce Windsor Chairs which are comfortable, beautiful, and, importantly, made to last.
